- (a) a candidate or an official agent or a scrutineer of a candidate recognized pursuant to section 69 or, in the case of a vote on a bylaw or question, a scrutineer appointed pursuant to section 70(1) shows grounds that the returning officer considers reasonable for alleging that the record of the result of the count of votes at any voting station is inaccurate,

- (b) the returning officer considers that the number of

was sufficient to affect the result of the election if they had not been counted or rejected, as the case may be, or

- (c) the returning officer is of the opinion that there may have been an administrative or technical error that may cause an error in the count of votes.

(2) If the returning officer makes a recount, the returning officer shall

- (a) 12 hours before the recount, notify

- (i) any candidates who may be affected by the recount or, in the case of a vote on a bylaw or question, one scrutineer in support of the passage of the bylaw or voting in the affirmative on the question and one scrutineer in opposition to the passage of the bylaw or voting in the negative on the question, and

- (ii) those officers that the returning officer considers necessary to assist in the recount,

- (b) break the seal of the ballot box, and

- (c) proceed to count the ballots contained in it in the same manner as the deputy presiding at the voting station is directed to do.

- (3) After the recount, the returning officer shall
- (a) correct the ballot account if necessary,
 - (b) place in the ballot box all the documents contained in it at the time the returning officer broke the seal, and
 - (c) close the ballot box and seal it with the returning officer's seal.
- (4) An application under this section may be made during the 44 hours immediately following the closing of the voting stations but may not be made afterwards.
- (5) The returning officer shall complete the recount
- (a) in the case of an election other than a vote on a bylaw or question, prior to the time set for the declaration of the results under section 97(2), or
 - (b) in the case of a vote on a bylaw or question, within 96 hours of the close of the voting stations on election day.
- (6) A declared vote under section 99 at the original count of ballots shall be counted at the recount of ballots only if the recount confirms the equality of votes among the same candidates as at the original count.
- (7) If the recount results in an equality of votes different from the result of the original count and it is necessary to determine which candidate is elected, section 99 applies.
- (8) If votes have been taken and counted under section 84, a reference in this section to a voting station is deemed to include the place where the votes were counted.
