Mr. Jim Brown

Chief Administrative Officer

Village of Glenwood

Dear Sir:

On behalf of the Aged Cheese Country Club (Glenwood Seniors Group), I express appreciation for the grants that the Glenwood Village Council has given to our Seniors Group in the past years. I am now requesting the grant amount of \$500 that has been approved in your 2026 budget be forwarded to our Seniors Group.

We did not receive this \$500 grant in 2025 as we were not aware of our responsibility to request this grant in writing and we apologize for our oversight in this matter. Would it be possible for our Seniors Group to receive the 2025 grant along with the 2026 grant that we are now requesting?

When preparing our payment, please make the cheque payable to the Aged Cheese Country Club. Thank you in advance for your care and concern for the seniors who live in Glenwood and surrounding area.

Respectfully submitted
