His Worship John Peterson
Mayor
Village of Glenwood
PO Box 1084

Dear Mayor Peterson:

I am pleased to confirm the 2026 funding allocations for your community.

For the Village of Glenwood:

- The 2026 Local Government Fiscal Framework (LGFF) Capital allocation is \$201,954.
 - This includes \$7,516 in needs-based funding allocated to local governments with a population less than 10,000 and a limited local assessment base.
- The 2026 LGFF Operating allocation is \$62,126.
- The 2026 Build Communities Strong Fund-Community Stream (BCSF-CS) allocation is \$66,364.

LGFF Capital is a legislated program aimed at providing local governments with advanced notice of their future infrastructure funding. As indicated on the program website, in 2027, your community will be eligible for \$203,542. Information on 2028 LGFF Capital allocations will be shared with local governments this fall, after changes in provincial revenues between 2024/25 and 2025/26 have been confirmed. I would like to also inform you that work is underway to develop a new allocation formula for the LGFF Operating program, which will be announced later this year.

As you may be aware, in 2025, the Government of Canada launched the BCSF, which included a renaming of the Canada Community-Building Fund to the Community Stream under the BCSF. Please note that no program or funding changes are being made apart from the name change.

LGFF and BCSF-CS funding amounts for all municipalities and Metis Settlements are also posted on the Government of Alberta website at www.alberta.ca/municipal-affairs-funding-programs.
