

Printing Cost Reduction

- 1. Printing black and white as much as possible or only**
- 2. Reducing the number of printed council meeting agendas.**
Since moving to our new online agenda package and utilizing the boardroom screen, not as much need for them.
- 3. Purchasing chromebooks for council to use for Village emails, agenda packages, and other confidential Village business.**
 - a. Pricing is between \$100 and \$150 for basic models**
 - b. Simple to use and easy to secure**
 - c. Would replace the need to print agenda packages for every meeting**
 - d. Usable for at least one council term, preferably two.**
- 4. Goal is to reduce printing costs from \$150-\$200 per month to under \$75.**
