INDEPENDENT AUDITOR'S REPORT

To the Members of Council of the Village of Glenwood

Opinion

We have audited the municipal financial information return of the Village of Glenwood (the Village) for the year ended December 31, 2023.

In our opinion, the accompanying financial information return present fairly, in all material respects, in accordance with the accounting principles described in the Municipal Information Return Manual prepared by Alberta Municipal Affairs.

It is understood that this report, as requested by the Minister of Alberta Municipal Affairs, is to be used primarily for statistical purposes. We have issued an audit report dated April 30, 2024 on the financial statements of the Village for the year ended December 31, 2023 and reference should be made to those audited financial statements for complete information.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Information Return* section of our report. We are independent of the Village in accordance with ethical requirements that are relevant to our audit of the financial information return in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting and Restriction of Use

We draw attention to the accounting principles described in the Municipal Financial Information Return Manual prepared by Alberta Municipal Affairs, which describes the basis of accounting and the significant differences between such basis of accounting and the accounting principles. The financial information return is prepared to assist the Village to meet the requirements of the *Municipal Government Act (Section 277(1))*. As a result, the financial information return may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Information Return

Management is responsible for the preparation and fair presentation of the financial information return in accordance with Municipal Financial Information Return Manual prepared by Alberta Municipal Affairs, and for such internal control as management determines is necessary to enable the preparation of financial information return that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Village's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Village or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Village's financial reporting process.

(continues)

Auditor's Responsibilities for the Audit of the Financial Information Return

Our objectives are to obtain reasonable assurance about whether the financial information return as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial information return.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial information return, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Village's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Village to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial information return, and whether the financial information return represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
