St Patrick, considered the patron saint of Ireland, was actually born in Banna Venta Berniae, a town in Roman Britain, sometime in the late 300s AD. That's right, Patrick wasn't Irish. And his name wasn't Patrick either - it was Maewyn Succat, but he didn't care for that so he chose to be known as Patricius down the line. He actually had many monikers throughout his life: he was known by many as Magonus, by others as Succetus, and to some as Cothirthiacus. But we'll just call him Patrick since everybody else does. Has a nice ring to it...

His father, Calpornius, was a deacon in the early Christian church, but Patrick wasn't much of a believer himself. It wasn't until he was captured by Irish pirates at the age of 16 and enslaved for six years as a shepherd that he chose to convert to Christianity. While in northeaster Ireland, Patrick learned the Irish language and culture before attempting to escape back to Britain. But Patrick wasn't very good at escaping apparently, because he was captured again. This time by the French. He was held in France where he learned all about monasticism before he was released and sent home to Britain where he continued to study Christianity well into his twenties. Eventually, Patrick claimed he had a vision that told me to bring Christianity to the Irish people, who were predominantly pagan and druidic at the time, so Patrick he made his way back to Ireland and brought bag ol' bag of Christianity with him.

To read more about his life, visit:

Village Office News

Puppy Poopy Bags

In an attempt to help keep our streets & sidewalks free of animal feces, we will soon be adding some waste bag dispensers around the downtown area and request your help in picking it up. Once used, the bags can be dropped in any public waste bin. If you have a bunch of plastic grocery bags to dispose of, just drop them off at the Village Office and we will use them in our new puppy poopy waste bag dispensers.

So You Want to Run for Office: Experiences in Local Government

Tuesday, March 9, 2021 - 7:00pm - 9:00pm

Branch: Main Branch, Lethbridge Public Library

Visit our website at www.glenwood.ca to see the link to register online for this.

If you are interested in entering municipal politics and want more information, join us for So You Want to Run for Office! Each session will feature a presentation followed by a panel discussion where you can ask questions of former municipal officials.

Date: March 9, 2020 at 7:00pm

Venue: Online via Zoom

We will cover a variety of topics surrounding running for office, including campaigning and the Municipal Governments Act.

Featuring: Dr. Paul Fairie (University of Calgary), Dr. Lisa Lambert (University of Lethbridge); Q&A Panelists: Trevor Lewington (Mayor of Sterling, CEO of Economic Development Lethbridge), Lance Tailfeathers (Former Councillor, Blood Tribe).

NOTICE OF PUBLIC HEARING

Proposed Bylaw No 257-2021 - Municipal Development Plan

7:00 PM on March 11, 2021 at the Glenwood Community Hall, 90 Main Ave

THE PURPOSE of the proposed Bylaw #257-2021 is to adopt a Municipal Development Plan being a comprehensive, long-range land use plan and development framework pursuant to the provisions outlined in section 632 of the Municipal Government Act.

A copy of the proposed bylaw may be inspected at the Village of Glenwood municipal office during normal business hours or online at:

<https://glenwood.ca/governance/documents/bylaws/proposed-bylaws>

DRAFT MUNICIPAL DEVELOPMENT PLAN

What is a Municipal Development Plan?

A Municipal Development Plan (MDP) is a long range, general policy guide, which provides direction in terms of how, where and when the community should develop. The MDP guides development toward a community's desired future, as it serves as a basis for decision-making and the foundation for other municipal plans.

Why does Glenwood need an MDP?

The Municipal Government Act requires every municipality to adopt a MDP by 2021. The Village is taking a proactive role in preparing this MDP to provide a framework to effectively plan and manage future growth.

How was the Draft MDP Developed?

The Oldman River Regional Services Commission worked with Village Council and administration to review existing and historic documents and formulate the Plan. View a complete version at www.orrsc.com under Current Projects on the main page or review a copy at the Village Office.

PURSUANT to sections 230, 606 and 692 of the Municipal Government Act, Revised Statutes of Alberta 2000, Chapter M-26, the Council of the Village of Glenwood in the Province of Alberta hereby gives notice of its intention to consider proposed Bylaw No. 257-2021.

THE PURPOSE of proposed Bylaw No. 257-2021 is to adopt a Municipal Development Plan being a comprehensive, long-range land use plan and development framework pursuant to the provisions outlined in section 632 of the Municipal Government Act.

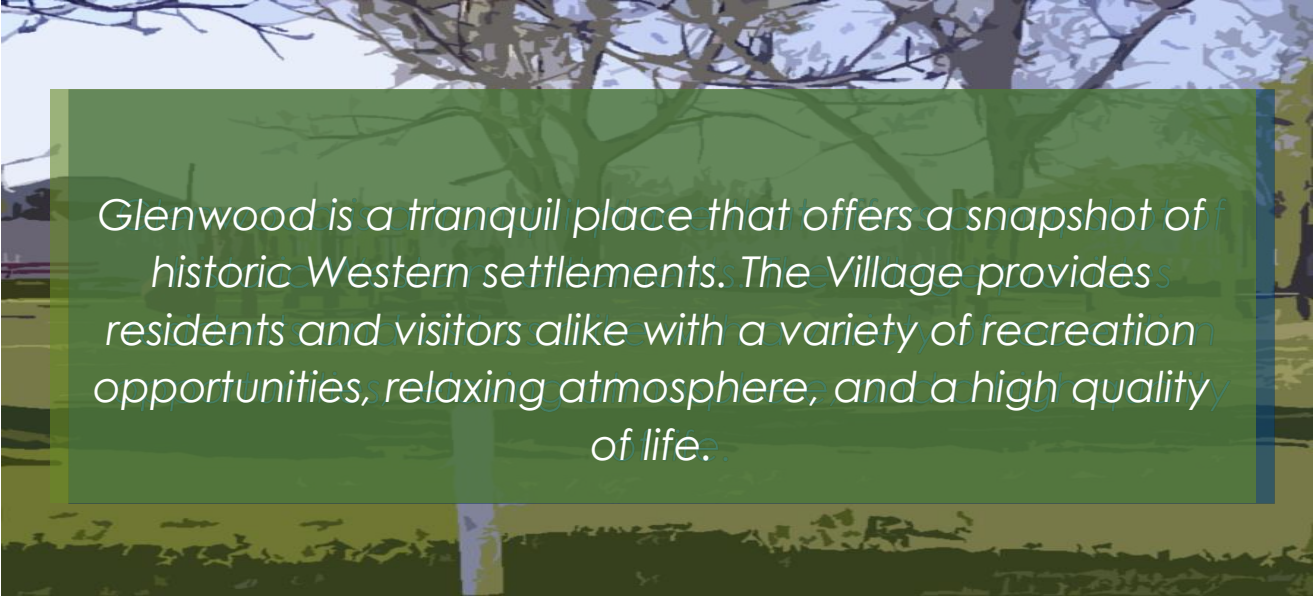

THEREFORE, TAKE NOTICE THAT a public hearing to consider the proposed Bylaw No. 257-2021 will be held in the Village of Glenwood Community Hall at 7:00 pm on March 11, 2021.

AND FURTHER TAKE NOTICE that anyone wishing to make a presentation regarding the proposed bylaw should contact the Municipal Administrator no later than 4:00 pm. on March 1st, 2021. Both written and verbal presentations may be given at the public hearing.

A copy of the proposed bylaw may be inspected at the Village of Glenwood municipal office during normal business hours or online at www.glenwood.ca.

DATED at the Village of Glenwood in the Province of Alberta this 10th day of February, 2021.

Vision Statement:

Glenwood is a tranquil place that offers a snapshot of historic Western settlements. The Village provides residents and visitors alike with a variety of recreation opportunities, relaxing atmosphere, and a high quality of life.

Community Goals:

1. Encourage economic growth and diversification in order to provide more employment opportunities, a broader tax base, and wider range of municipal services.
2. Ensure that key community services and amenities remain available and continue to serve the needs of the Village as may be fiscally attainable.
3. Promote, maintain and enhance the friendly, small town atmosphere and great quality of life within the Village.
4. Enhance the livability of the community through improved shopping, municipal services and housing opportunities.
5. Promote continued enhancement of the community appearance, including the Village entrance, public spaces, and private development.
6. Encourage and support Village cooperation with service clubs, community groups, volunteer organizations and government agencies to enhance quality of life and provide continued social and recreational opportunities.
7. Foster public engagement and opportunities for communication with Council and administration within the municipal planning processes.
8. Consult and coordinate with neighbouring municipalities and organizations on matters of mutual interest or concern that have the potential to provide community benefits and maximize efficiencies in service delivery.

Gone but not Forgotten:

GEORGE WILFORD MICHEL, was born on May 2, 1945 in Zurich, Switzerland. He passed away on February 13, 2021 in his home with his wife and children. He was the fifth child of Werner Hans Michel and Therese Sophie Jost Michel. At the age of two, his family immigrated to Canada. They stayed briefly in Hill Spring before moving to Glenwood. George's early years were spent herding cattle, milking over 25 cows, hunting, working and going to school. George loved mechanical things. He took a car motor apart, set it back together and made it run at the age of sixteen. He has built many vehicles over the years, including a three-wheeler, a 2-seat fancy car where one seat was behind the other, tracked vehicles, a wooden car and truck, and various multi-seat vehicles including a wooden Thomas the Train. After completing high school, George served a mission to Austria. When he returned, he worked in Calgary during the winters and helped his dad on the farm during the summer. After his marriage to Patricia in 1972, he worked mostly on the farm which he eventually purchased from his father. Over the years, George had many jobs to supplement income from the farm. He worked unloading cars off trains, building snowmobiles, a helicopter mechanic, a truck driver, a school bus driver and finally as a hydro-electric plant operator and eventually manager. This last job resulted in a move to Revelstoke, BC for ten years and then to Squamish, BC for five more years. George was talented at woodworking as well as metal work. Over the years, he renovated and added onto the tiny house until it was a large comfortable home with custom furniture and cabinetry. When he retired at age 65, he returned to Glenwood to find that his house was unhealthy. Together with

his wife and children, they gutted the house and put it back together and it now looks even better inside. Then he turned to building cedar chests and other chests for his children and was trying to build them for his grandchildren, but only was able to complete some of them. George liked learning new things. He learned to snowmobile and loved going every winter. After his mission, he took flying lessons and purchased a Cessna 172. He really loved to fly and made many local flights and even flew to Banff. Unfortunately, the upkeep on the plane was too much and he had to sell it. Later, he bought a boat and learned to waterski. He taught his children and some of his grandchildren to waterski as well. He also learned to scuba dive and enjoyed a diving trip to the Bahamas. George served in many positions in the Church of Jesus Christ of Latter-day Saints. He was a Venturer leader, a teacher, and a Branch President. George and Patricia also served a Home Storage mission in Lethbridge for 18 months. He is survived by his sister, Madeleine Kurtz; his wife, Patricia Jean Cahoon Michel; his five children, Tricia (Nels) Anvik, Clinton (Kerri-Beth) Michel, Candice (Donovan) Watters, Tanya (Erwin) Fung, Trina (Jordan) Greenwood; and seventeen grandchildren. He was predeceased by his father, Werner Hans Michel; his mother, Therese Sophie Jost; and his brothers, Konrad and Bill Michel. A Private Family Service was held on Wednesday, February 17th at Noon.

CHESTER OBADIAH "OBIE" EARL ARCHIBALD FERRIS, It is with profound grief and shock that we announce the sudden passing of Chester Obadiah "Obie" Ferris on Tuesday February 16, 2021 at the age of 38 years. Obie was raised in Glenwood, Alberta. Except for a few short periods of time working or attending school elsewhere, he spent his life in Southern Alberta. Obie was always up for an adventure and delighted in trying new things. He loved golfing and hiking, going to concerts with his friends, and he spent many summer days floating down the river with his kids and his friends. Obie worked hard his whole life, and though he never settled into one career, he enjoyed all of the different and various occupations he worked. Whether he was helping build or renovate houses, working concrete with the 'Tollestrup Crew', flying helicopters or, as in recent years, working on the McGlenn family farm, he could find the fun and the interesting in everything he did. But the truest joy he found in life was and always will be embodied in his four children. Obie leaves behind his devoted wife Lacey (McGlenn), and their four children: Zona, Izack, Saphira and Kingston. He will be loved and missed by his parents, Brenda and Chester "Sonny" Ferris, his sisters Brenester "Brandie" (Greg) Sunley, nephew Jerrick and niece Gabriella; and Chessenda (Ryan) Harty; as well as his in-laws: June and Robert McGlenn, Jennifer (Edward) Pollard, and Meagan (Jared) Abrams, and their families. He is also mourned by his half-siblings Hugh Ferris; Bill (Bridget) Swagar and their children Seranda and Reid; Tammie (Calvin) Haczekwicz and her children William (Ashley) Kiselicka and Patrick Kiselicka; Colleen (Bob) Ekland and their children Garth and Kieran; and Steven (Sandra) Smith and their children Cheyanne, Kelsey and Courtney. Obie will forever be fondly remembered by his numerous aunts, uncles, cousins, and many, many friends. He was predeceased by his grandparents Earl and May Archibald, Chester Ferris, and Helen Howe, his aunt Judy Archibald, and his cousin Craig Alan Archibald. Right now, he's very likely raising a glass with his best friend Jared "Joe" Carmichael while the two of them make plans to watch over us all for all the years to come. A private service was held at 11:00 AM on Tuesday, February 23, 2021.

Please feel free to email glenwoodgleanings@gmail.com to make submissions, calendar entries or announcements in this newsletter. Or just drop a hand-written note in the mailbox beside the door of the village office – just remember to add your name and phone number should we have any questions regarding the submission.

Business card sized business advertising can be purchased for \$12 per year and double size for \$24 per year at the Village Office

Municipal Viability Reviews

Contributor - Brenda MacMillan

What is a viability review?

A viability review is a process that helps municipalities determine their ability to continue as a municipality or develop a plan that leads to viability. The process brings decision makers together and employers communities to make decisions about their future through collaboration and cooperation.

<https://www.alberta.ca/viability-reviews-for-municipalities.aspx>

The review analyzes the municipality's:

1. Governance
2. Finances
3. Infrastructure
4. Services

Review Process:

1. Begin a review
2. Ministry screening
3. Information collection
4. Recommendations and options
5. Public vote (if required)

What happens after the review is completed?

After such reviews, aside from the very lengthy report, there is communication from the Minister of Municipal Affairs with certain mandated directives, suggestions and goals to achieve over a 5-year period of time.

Let's point out some possible misconceptions about municipal viability reviews:

- A viability review done with a municipality always results in dissolution of that municipality.

"If, after reviewing the comments of residents and councils, the minister decides a vote will be held, it is administered by Municipal Affairs staff in accordance with the Local Authorities Election Act."

- A viability review costs a huge amount of money for the municipality.

"The cost of a review varies depending on the complexity and time it takes to complete. Costs are distributed between Municipal Affairs, municipalities and municipal associations.

Municipal Affairs: ministry staff time and materials for researching, writing, printing & distributing information and reports; the cost of public meetings and community engagement activities; a municipal grant to pay for the infrastructure audit

Municipalities: costs of municipal staff to compile information; travel costs to meetings; costs of additional council meetings; remuneration for councillors to attend review meetings

Municipal Associations: travel costs to meetings and remuneration for association representatives to attend review meetings"

See more information at: <https://www.alberta.ca/viability-reviews-for-municipalities.aspx>

The Village of Hill Spring completed their viability review in the summer of 2017. They did have a dissolution vote as part of the process. The results of the vote were 57 votes to remain an independent municipality and 43 votes to dissolve the village.

The website mentioned above outlines several active viability reviews for your review.
