Village Office News

The irrigation will be shut down on September 24, 2021

The Spray Park will be shut down the same day

The RV Dump Station will be closed for the season on the same day

The Pioneer Parlour will be closing as soon as the ice-cream is all sold

We have had an influx of dogs running loose in the village again. They may not be aggressive, but not everyone would know that and a barking dog running at you is scary - no matter who you are. And barking dogs at all hours of the night are very annoying to the neighbours. We, as responsible pet owners, could be respectful of our neighbours and the rest of the village residents by keeping our pets quiet and on our own property; or on a leash. Please pick up after your pet. If you have any plastic grocery bags hanging around, please donate them to the village office for our puppy poop bag dispensers located on Main Avenue.

POOP HAPPENS - PICK IT UP!!!

One of the new services from the Alberta Government is an online Emergency Registration System. When you log into **emergencyregistration.alberta.ca**, you can register yourself and your household member, even pets. This information is used only during an Emergency Event in our local area and is shared with the Evacuation Center when you check in, thus making the process much easier during a stressful time. If you need help or don't have access to the internet, call 310-4455 and operators can take your information and get you registered. They are available 24/7.

Glenwood & Area Seniors

We were planning a 55+ activity for September 27, but since the COVID rules have recently changed, we will be postponing this event until further notice. As we have had a lot of new people move into the village, please take the opportunity to introduce yourself and get to know them.

Ordering Green Sleeves

The **Green sleeve** is a plastic pocket that holds important Advance Care Planning documents and other forms that outline a patient's goals for health care. It is for patients (anyone over 18 years of age) cared for in AHS (Alberta Health Services) who have had discussions, or completed documents, that refer to decision-making about their current or future health care. It sits on top of one's fridge in your home (where emergency services people would check for such information) for any guidance in case of an emergency in the home.

If you are ordering Green Sleeves for yourself or your family, you do not have to create an account. **There is no cost to ordering and receiving a Green Sleeve.**

Go here: <https://dol.datacm.com/> . . . Please enter “Greensleeves” as both the Username and the Password (“G” must be capitalized) and then click on the “Login” button. If you try to create your own account it will give you an error message. [No need for an account to order Greensleeves.](#)

Please refer to the information below that provides links to ordering instructions and other advance care planning resources.
