The next Municipal Election will be held on Monday, October 18.  
In preparation for your opportunity to vote, you are invited to attend  
a Candidates Forum.

- Who:** All residents of the Village of Glenwood  
**When:** Thursday, October 7, 2021 at 7:00 PM  
**Where:** Glenwood Community Center  
**Why:** Get to know the candidates and ask them some questions about their intentions and goals for the upcoming four years, should they be elected to Village Council.  
**How:** We will be running this meeting as any other Village Council meeting with the following COVID restrictions in place...everyone must wear a mask; all chairs will be placed for approved social distancing; microphones and common touch surfaces will be cleaned after each speaker. If you are showing any symptoms of COVID, please do not attend.

## Ground Rules

- All of the viable candidates will be included.
- Candidates who choose not, or are not able to participate in the forum may not send a substitute, but may submit a brief statement, which will be read by the moderator.
- Candidates will be asked the same question and have the same time to answer. Each candidate will have two (2) minutes to respond. Time limits on responses will be strictly observed. A timekeeper will hold cards, visible to the speaker, indicating how much time remains. When the “stop” card is shown, the speaker must end their speech within ten (10) seconds.
- The moderator will have the responsibility for enforcing time limits.
- The moderator will also have the authority to interrupt the proceedings to enforce the ground rules and format agreed upon by all candidates.
- The moderator may restate the question but cannot ask a follow-up question.
- The person who serves as moderator will have no connection with the candidates or with issues that any of the candidates are strongly identified with.
- The candidates will not interrupt one another.
- Candidates should refrain from personal attacks or charges. Answers should remain focused on relevant policy topics.
- The candidates’ closing statements should be significantly related to the matters discussed previously. Candidates will have ninety (90) seconds for closing statements.
- Candidates are invited to remain after the forum to meet with attendees outside of the forum hall.
- No candidate literature/paraphernalia will be displayed or distributed in the meeting room. This means that candidates and their supporters will be asked not to wear any campaign badges, tee shirts, etc. during the forum. After the forum, candidate literature may be placed on the tables provided outside the meeting room.

# MEET THE CANDIDATES-Village of Glenwood

(in alphabetical order)

Linda Allred - no submission

Ruston Clark - I'm running to keep Glenwood the enjoyable village that it is. I hope to keep businesses big or small viable to grow. We have big decisions to make for the future and I hope I can represent our villagers requests.

Darrell Edwards - Having lived in Glenwood for the past 30+ years, I have been and am interested in the operations and well being of the Village of Glenwood. I have worked as a volunteer in many capacities my entire time here. It is my wish to see the Village move forward, which is hopefully possible in the future. I come with a wide variety of experience/knowledge and feel that with my added experience this can be accomplished. It is a situation that can only work with the stamina and hard work of a council working together. We need to move forward in good faith with a common vision.

Milo Holthe - no submission

Steven Law - no submission

Wayne Layton - To listen and treat with respect all residents; To have an open mind and be willing to change mine if shown a better way; To look closely at land use by-laws to help small businesses and let you use your property and increase your rights to use your property as you see fit; Transparency in what the village is doing and discussing as long as personal info is protected.

Clinton Lybbert - no submission

Sandra Lybbert - I would like to take this opportunity to share with you why I am running for village council. I have served on council previously, so I feel that I bring some level of familiarity to this position. I am dedicated to this village and to the residents. I will make myself available to all residents to hear your concerns. I am willing to dedicate myself to helping make Glenwood stronger through our decisions as a council. I promise to do my utmost best to work together with all of the council and our CAO to study out and bring about the best actions needed for our village.

Brenda MacMillan - ((Mostly) Retired Business Coach and Professional Artist) On Monday, October 18, we, the public, get to decide who is on the local council of the Village of Glenwood for the next 4 years. Please exercise your right and privilege to participate. YOUR voice and input, brought to Council, influencing its decisions and management of the Village on your behalf, are critical. As COVID still has us entangled in awkward ways, anyone interested in knowing why I have chosen to be nominated for a council position at this time, only need to call me, and I'll come to visit you or we can speak on the phone, or over computer. I have a very busy phone and use the voice mail awaiting you for a message and a call back. Please leave your name and number. (403) 626-3110 . . . VOTE on October 18.

# **MEET THE CANDIDATES-Village of Glenwood (cont)**

(in alphabetical order)

Dennis Otteson - On October 7th, 2021 at 7 PM, the candidate's forum is being held at the Community Hall in Glenwood. My platform will include leadership, accountability and responsibility, all provided with Integrity. A future vision of a viable, sustainable village is also important to me. Increase revenue within the village from village owned resources. Infrastructure re: roads, water, irrigation, etc. Please take the time to vote for your new council on October 18, 2021.

Mark (John) Peterson - no submission

# **MEET THE CANDIDATES-Cardston County**

(in alphabetical order)

Jim Bester - Keep your Best on Cardston County Council RE-ELECT JIM BESTER

I am passionate about the area, its history and the welfare of the people. I believe I have the experience and can commit the time to serve as an effective elected member on the Cardston County Council. I firmly believe our County representative has to be proactive in economic development to sustain our local communities and schools; we need to facilitate water service and road improvements to the rural community. We need to see young families have the ability to stay and others to return and live in an area that has opened up with vision by our pioneering ancestors.

Cam Francis - My wife Nikki and I moved to this area 24 years ago after I had graduated from university. We have loved raising our family here and helping to build this wonderful community. In the past couple of years, people have asked me to consider running for council again because of my past record of holding your taxes down while also improving county infrastructure and programs (road upgrades, potable water licence, water agreement, dead-stock removal projects, dust control, etc.). This current council has increased taxes considerably, these last couple of years my taxes alone have increased over 20%. This is an unsustainable rate, and we can't afford four more years of this. We need a diversified economy and greater cooperation with our neighbouring villages to build a strong resilient community. I will stand up for your rights and freedoms, listen, and work for solutions, not just talk in circles. I provide leadership, experience and accountability.

**SOLUTIONS NOT EXCUSES**

**VOTE Cam Francis for Cardston County Council**

**DOG BYLAW:** There will be a new dog bylaw presented at the October Council Meeting. As discussed in several other editions of this newsletter, there has been a problem with strays and dog poop. Please visit [glenwood.ca](http://glenwood.ca) to read the new proposed bylaw.

One of the new services from the Alberta Government is an online Emergency Registration System. When you log into **[emergencyregistration.alberta.ca](http://emergencyregistration.alberta.ca)**,

you can register yourself and your household member, even pets. This information is used only during an Emergency Event in our local area and is shared with the Evacuation Center when you check in, thus making the process much easier during a stressful time. If you need help or don't have access to the internet, call 310-4455 and operators can take your information and get you registered.

They are available 24/7.

## **VILLAGE ELECTION REFERENDUM QUESTION**

Dear Residents,

A certain Internet service provider (ISP) has approached council in recent months to present an opportunity. The ISP believes it can obtain a federal grant that would fund the installation of fibre-optic service for the Village. This would mean fibre-optic internet service available to each lot in Glenwood.

Village council believes such a development to be beneficial as it would provide a more reliable Internet option than what is currently available here. This may be an important factor for those who work from home or who have a home business (or would like to).

However, to qualify for the grant, the Village would be required to contribute \$75,000 over 3 years (that's \$25,000 per year). There is no room for this expense in the budget without raising taxes specifically for this project.

As such, a referendum question will be included on the ballot in the upcoming municipal election asking whether you would support an additional fee included with your taxes in order to raise the required funds. This fee would average around \$150 per lot each year for 3 years.

**This fee is subject to us receiving the grant.**

*Please come out and vote to make your position known!*

**ADVANCED VOTING WILL TAKE PLACE TUESDAY, OCTOBER 12/21**

**Village Office (59 Main Avenue)      8 am to 10 am.**

**ELECTION DATE MONDAY, OCTOBER 18/21**

**Village Community Center (90 Main Avenue)      10 am. to 8pm.**
