Happy New Year

Welcome to 2022. As the council for the Village of Glenwood, we hope that this year will bring you all the best. May you find joy, happiness, and prosperity as you work your way through 2022.

We endured quite the hail and wind storms last year, didn't we. We are sorry for the damage that so many residents received. We hope that you are able to put things right and that we can all move forward in the new year.

To keep you in the loop of information, here are some of the things that we have done, are moving forward on, or have in our planning calendars:

- A big shout out to Councillor Milo Holthe, our CAO, Carrie Kinahan, and ALL of you who helped in any way to get the skating rink up and running. It is a huge undertaking and we hope that the ice will endure our warmer weather and allow our skaters to enjoy some time outside.
- We have hired someone to help care for the rink, as well as in the office and other areas. Her name is Jordaan Klug-Pires. Welcome Jordaan.
- Next, the village now has Zoom capability to share our council meetings with you. You are still more than welcome to attend in person, but Zooming in will give you, as residents, a second option.
- We are planning to have Tough Country come out and speak to us about their proposed fibre optic internet service. Hill Spring is already installing it in their village and we would like to give Glenwood residents a chance to hear what Tough Country's plan is, so we can all make an informed decision. It has been suggested that we also have Telus come and present their internet. I will look into that.
- As a council, we are checking into actual costs of producing your utilities. This will better help us understand where we stand as a village and what we need to do to make sure that the utilities are taken care of for many years to come, and that we have a plan, including the finances, to take care of these same utilities now and in the future.

Glenwood Community Hall

The Glenwood Community Hall is CLOSED again until further notice. **Current** COVID regulations must be followed. Village Council meetings will continue be held there as it is large enough to facilitate the required social distancing requirements. If you are showing COVID symptoms, please do not attend.

The next Village Council meeting will be on Thursday, January 13 at 7:00 PM.

Spring Glen Park

is now closed for the season and will reopen on May Long Weekend 2022.

NEW RATES for residents of Glenwood, Hill Spring & Cardston County Div 4:

Monday night free plus Tuesday & Wednesday nights half price...3 nights for the price of one.

- With the utilities in mind, we are also looking into how we can share with Cardston County residents. We will be looking into a few different options and will be reporting back to you on what those options are. If you have any ideas on how Glenwood should move forward, please let us know.

We are so grateful to you as residents for your input into how things are going in the village. We have heard from some of you and we are hoping to hear from many more as you have concerns or suggestions in how we can do a better job to serve you. Please reach out to us on any topic that you feel we should be aware of. Sometimes we can settle things in the moment and sometimes we will have to look into things and get back to you. But we really are interested in hearing from you and doing our best to serve all of the residents of Glenwood.

We as the Glenwood Village Council will be better equipped to serve you as you share your thoughts and feelings with us. Please join us in person, or by Zoom at our council meetings. They are held the 2nd Thursday of each month.

Thanks to all of you for all that you do. It is through you that this village improves and runs smoother. You are all amazing!

All the best in the New Year.
Councillor Sandi Lybbert

FRANCHISE FEE INCREASE NOTICE

Please be advised that the Village of Glenwood is proposing to increase the local access fee, which is charged to FortisAlberta Inc. (FortisAlberta) for use of municipal lands for its power lines effective **April 1, 2022**.

The fee is recovered by FortisAlberta from its customers as the local municipal access fee on electric billings of all customers that receive electric service in the Village. This local access fee will be increased from **\$0.00 (0%) to \$3.56 (5%)** of the delivery charge of FortisAlberta, excluding energy related riders. This calculation is based on 640 kWh consumption in 30 days.

Questions or concerns should be directed to Carrie Kinahan, Chief Administrative Officer at Village of Glenwood (403-626-3233).

Thank you.

Carrie Kinahan

ROBERTA BILLINGSLEY SMITH, left her earthly home on December 9, 2021 at age ninety-four to join her eternal companion, Byron Charles Smith. She will be greatly missed by her family and all who knew and loved her.

Roberta was born March 25, 1927, in Cardston, Alberta, the second of three children to Oneta and Ervin Billingsley. She grew up in Glenwood and had fond memories of time spent with family and friends. Family has always been at the center of Roberta's life, along with her membership in The Church of Jesus Christ of Latter-Day- Saints.

She married her sweetheart, Byron, on September 12, 1946 in the Cardston, Alberta temple. After living a short time in Welling, Glenwood became their beloved home where they raised their eight children on the farm. Roberta felt "too timid" to be a farmer's wife but she showed her remarkable ability to overcome challenges. She cleaned animal pens, herded sheep and cows, chased mean roosters with a broomstick, fed lambs and calves, and drove tractors. She was an avid gardener and spent many hours each summer canning fruit and vegetables, making pickles, or jam to help feed her large family.

Roberta taught herself to sew and spent many late nights on her trusty Bernina finishing holiday outfits, or dance costumes. Her grandchildren were delighted to receive her handmade quilts.

Anyone who knew Roberta loved receiving her homemade baking or Christmas chocolates. The candy and nut bowls kept by the front door were a favourite of grandchildren. Sharing food and hosting family and friends were Roberta's language of love.

Through the years Roberta served faithfully in many church positions, and more importantly looked for opportunities to quietly serve others. When she committed to do something, she went above and beyond which has been a model for her posterity.

In 1995 Roberta and Byron served a mission for The Church of Jesus Christ of Latter-Day Saints in New Brunswick and Nova Scotia. They also served in the Cardston Alberta Temple for many years.

If you asked Roberta to describe herself, she would tell you that she was a simple woman who tried to raise a good family. However, if you asked her family, they would use words like selfless, thoughtful, faith filled, determined, courageous, industrious, a loyal friend, creative, hard-working and loving. An elect lady!

Roberta was preceded in death by her husband Byron to whom she was married for 72 years. Their posterity includes their children: Craig (Colleen), Wendy (Dave-deceased), Barbara (Robert), Aileen (John), Kevin (Kelly- deceased), Danny (Wanda), Drew (Ross), Julie (Marc), thirty-five grandchildren, seventy-three great grandchildren, and three great-great grandchildren.

The family would like to thank the caregivers at West Highlands Good Samaritans in Lethbridge for their loving care for her and Byron.

One of the new services from the Alberta Government is an online Emergency Registration System. When you log into **emergencyregistration.alberta.ca**, you can register yourself and your household member, even pets. This information is used only during an Emergency Event in our local area and is shared with the Evacuation Center when you check in, thus making the process much easier during a stressful time. If you need help or don't have access to the internet, call 310-4455 and operators can take your information and get you registered.
They are available 24/7.
