Village Council News:

Welcome to FALL!!!

It's been a lovely summer--for the most part. We've had some hail and crazy winds, and don't get me started on the wasps. But summer has been wonderful. The crops are being gathered in, along with gardens. We are so blessed.

By now, we're sure you have noticed our new CAO. **Cynthia Vizzutti** is from Claresholm and she will amaze you with the knowledge, excitement, dedication, and talent she brings to this office. We are so excited to have her on board and look forward to working with her in our village. Along with Cynthia joining us, sadly, we will be bidding Jeff Coffman a very fond adieu. We have appreciated having him with us for the past three months. His tireless efforts have not gone unnoticed and he will be missed.

There will be another new face in the office. **Patti** (I apologize that I don't know her last name) will be the face you will greet in the office. She will be doing data entry as well as other tasks. We are excited to welcome her to Glenwood.

With the end of summer, comes the regular board meetings that council serves on. Most of our meetings will be too late to be included in this month's addition to The Glenwood Gleanings. CCES (emergency services) met and we are waiting for new turnout gear as well as other equipment. Fires, so far, have been minimal. Thanks to all who are careful with fire pits, burning barrels, etc.

We have had some very enjoyable events in our village in August. There was a Music in the Park. It was held tucked in between the Village Office and the spray park. There was lots of participation, great music, and even a celebratory cake was served to honour anniversaries as well as August birthdays. Keep a sharp lookout for more of this fun time in the future. There was an art display held at Van Dan's store. Some of our talented locals displayed photography, as well as paintings and drawings. It may still be up, so hop on over to the store for a look. There was another music event held in front of Tina's Bakery and Café. I wasn't there, but I heard it was a delight.

Did you make it out to Glenwood Days? If not, you really missed out. A huge shout out to the Glenwood Recreation Board for all of their hard work. It was a fantastic weekend.

Friday night, there was a gymkhana at the arena. The kids chased down sheep and cattle to grab the suckers off of the critters' hides. The Rec Board served a roasted pig, corn on the cob, watermelon, and buns. Doesn't that make your mouth water just thinking about it? Included in the Friday night festivities, was more Music in the Park. The crowd was tapping their toes and dancing to the beat. It was a real hit! Saturday morning breakfast was served by your village council and our new CAO. Thanks to all who came to help and all who came to eat. It was great to see you all there.

Saturday continued to bring fun even after the food was cleaned up and put away. There were pony rides, balloon animals, kids' games, street vendors, bed races, an airplane toss for prizes, more music and many more fun events.

The sweetest event was the dessert auction. Cooks from this village brought their favourite offerings and they were auctioned off. We hope to have a lot more people participate next year. So, dig out your favourite "tried and true" recipe, and get it ready for 2023's auction. There will be a cash payout to the top sellers.

With the fall rains about to descend on us, our lagoon is working at its capacity. There are a few things that you can do to help lighten the load on it. One of the best things you can do, is to extend your downspouts. You can purchase extenders from most hardware stores, or online. They simply hook to your downspout and run the water a little further from your house. This waters your yard at the same time as it stops the water from running into your weeping tile and from there into our sewer system.

Another idea is to collect the runoff into rain barrels, then use the healthy rain water to water plants and yards. It's a pretty simple but effective way to help out. Keeping downspouts running further from your house will also help minimize or even eliminate water seepage into your basements. So please give it some thought and see how and what you can do to keep ground water out of our sewer system.

Here are a few of the clubs that meet regularly in the village:

- Glenwood Quilt Club meets at the community hall. Contact Sheri Tatlow for more information.
- The Aged Cheese Seniors' Group meets at the community hall as well. Contact Sheri Tatlow for more information.
- There's pickle ball that is enjoyed by many. Contact Lynn Bishop for more information.
- Our library is a spectacular place to visit. We invite you to stop in and see what they have planned for the rest of the year.

Do you have a group that meets on a regular basis - one that you would like to share with the community? Please contact Sandy Lybbert (403) 382-9924 so that your group can be included in future announcements.

WOW! It really has been a busy month. September promises to bring more activities, so watch for things that may interest you. As your village council, we would like to thank you for your continued support. We welcome your phone calls, visits on the street or a stop in visit to our homes. We are here to serve you and to do our best to make Glenwood all it can be. If you have ideas, suggestions, or comments, reach out to us. We look forward to hearing from you.

This village is a great place to live and grow. It will be even greater with your assistance. So, we invite you to become involved in any way that interests you. You are the way to make Glenwood better. We appreciate all of you and all of your efforts to help us, help you.

We extend our heartfelt love and best wishes as we move closer to the end of 2022. May this year end with us as a community, moving closer to each other in heart and mind. Let's do all we can to continue.

Old HillBilly Wisdom

- Your fences need to be horse-high, pig-tight and bull-strong
- Keep skunks, bankers and politicians at a distance
- Life is simpler when you plow around the stump
- A bumble bee is considerably faster than a John Deere tractor
- Words that soak into your ears are whispered, not yelled
- The best sermons are lived, not preached
- If you don't take the time to do it right, you'll find the time to do it twice
- It don't take a very big person to carry a grudge
- You cannot unsay a cruel word

One of the new services from the Alberta Government is an online Emergency Registration System.

When you log into **emergencyregistration.alberta.ca**, you can register yourself and your household member, even pets. This information is used only during an Emergency Event in our local area and is shared with the Evacuation Center when you check in, thus making the process much easier during a stressful time. If you need help or don't have access to the internet, call 310-4455 and operators can take your information and get you registered. They are available 24/7.
