THE IMPORTANCE OF BEING EARNEST
The Importance of *Being Earnest*, Oscar Wilde's brilliant comedy of manners comes to life in a world of wit, romance, and mistaken identities. This classic story is a riotous satire of Victorian manners, packed with razor-sharp dialogue and tangled romances promises laughter, charm, and delightful chaos from start to finish.
Written by Oscar Wilde
Directed by Maxwell Gilchrist

Travel back to Ancient Egypt in **The Prince of Egypt**. A timeless story of destiny, family, and courage. Follow Ramses and Moses, raised as brothers, as their lives are forever changed by a powerful secret. This show features stunning music and an unforgettable performance.
Music and Lyrics by Stephen Schwartz
Book by Philip LaZebnik
Directed by Josh Creason

THE PRINCE OF EGYPT

James and the Giant Peach
James and the Giant Peach is based on the classic Roald Dahl story. James, a boy, embarks on a journey inside a gigantic, enchanted peach. Alongside a quirky group of oversized, talking insects, including a spider, ladybug, caterpillar, worm and a grasshopper, James discovers friendship, courage, and the power of imagination. James and the Giant Peach is a reminder of the wonders that can be found in the most unexpected places.
Based on book by Timothy Allen McDonald -
Music and Lyrics by Ben Pasek & Justin Paul
Directed by Maren Coates

James and the Giant Peach
