At its Regular Meeting held on **July 8, 2026**, on a motion by **Councillor Shane Ford**, the Council of the Village of Glenwood adopted **Resolution No. 2026.07.08.094**, which rescinded **Policy A08-2020 (COVID — Cleaning)** in its entirety. The resolution was **carried unanimously**.

Policy A08-2020 was originally adopted on November 12, 2020 (Resolution No. 2020.11.174) to establish additional cleaning fees and guidelines for the Community Hall in response to the COVID-19 pandemic. Council has determined that the circumstances giving rise to the policy no longer apply and that the policy is operationally outdated.

Effect of Rescission

Effective July 8, 2026, Policy A08-2020 (COVID — Cleaning) is repealed and is of no further force or effect. The additional cleaning fees, deposit-forfeiture provisions, and related guidelines set out in Policy A08-2020 no longer apply to bookings or use of the Community Hall.

Community Hall rentals and related fees are governed by the Village's current fees and rental arrangements in effect from time to time. This rescission does not, by itself, revive any policy previously superseded, and does not affect any right, obligation, or liability accrued prior to the effective date of rescission.

A copy of this notice shall be placed on file with Policy A08-2020 in the Village's policy records, and the policy shall be marked as rescinded.
